Behaviour

Positive Behaviour Support - Responsible, Safe, Respectful Learners - Care, courtesy, consideration, co-operation, respect, honesty... will create a positive learning environment and responsible, independent learners.

Parent Helpers

If you are able to help out in the classroom on a regular basis for our reading groups or math rotations I would love to hear from you.

Homework

Your child has been given a homework sheet in a book. Homework is handed out on a Monday and returned on Friday. The aim is to encourage a habit of independently completing some homework every night and to revise simple school tasks. Encourage your child to be organised and responsible.

Curriculum overview

During term one in English we are looking at reading, investigating and exploring short stories to later publish our own. In Math the main focus is decimals, measurement, fractions, data and properties of whole numbers. Science we are investigating reversible and irreversible changes and evaluating recycling. History we are looking at Australian history - Federation.

Camp/Excursions

The year 6 Cohort has booked their camp at Lake Tinaroo Active Recreation Centre for 10th to 13th June, Term 2. During the year there may be opportunities for excursions and guest speakers that relate to the Year 6 curriculum. Your child will be encouraged to participate provided that they display appropriate classroom and playground behaviour.

Reporting

Parent-Teacher Interview will be at the beginning of term 2 and the end of term 3. Term 2 & 4 - Written report card.
