Communication
We are happy to discuss your child’s progress and any school issues. However, due to time constraints, we require notice and an interview time.

Student Behaviour
Care, Respect and Responsibility are qualities that Kirwan recognises and values. This encourages a positive learning environment and responsible learners. Children are rewarded for positive behaviour in various ways such as Our Caring Castle charts, student of the week on parade, caught being good people, stickers, stamps, jobs, gotcha slips and charts, visits to the office and even just a friendly smile. Unacceptable student behaviour may result in time out, exclusion from rewards and excursions and reflection at lunch time.

Healthy Eating
We encourage healthy eating and ask that parents supply a variety of healthy choices in your child’s lunchbox. Lunchboxes remain on the bag racks so please use ice bricks to keep your child’s lunch cold.

Excursions and Incursions
During the year, there may be opportunities for excursions, incursions and guest speakers that relate to our focused learning and teaching. Some may incur a cost. Your child will be encouraged to participate provided they use appropriate classroom and playground behaviour.
