

Invisible Me

Write a narrative (story) about the idea of being invisible.

The story might be about the day you woke up invisible and the things you did.

It might be about a character that feels like nobody notices them and what he or she does to become noticed.

It could be about an invisible superhero and the things he or she does to help people.

Plan your writing before you begin. Think about:

- The characters in the story.
- Where the story takes place.
- The events that occur in the story.
- How the story ends.

While writing, remember to:

- Write in sentences.
- Use paragraphs.
- Be aware of spelling and punctuation.
- Use descriptive language.
- Read your writing and edit your work if needed.
