

40

Every day Zach played in the arcade but this time he was sucked into the game.

25

The musty old store was full of clutter. As my elbow knocked a bottle to the floor, I was stunned to see a genie appear in front of me.

47

I wish dad would stop showing off. We all know he is a superhero but he just takes it too far.

44

Just for one day, the world seemed to turn upside down.
